

Doubleknot empowers education staff to fully customize online registration and reservations; easily communicate with families, teachers, and group leaders; and view registration and financial data at a glance. With Doubleknot, education staff can stop worrying about managing camp, class, and field trip registrations and focus on what really matters—delivering your programs. With Doubleknot, you can:

- Configure everything from a simple event to a complex program with different tracks and options—more than 50 event configuration settings are available
- Show visitors real-time availability for the events, programs and sessions they’re interested in
- Manage capacity and waitlists
- Offer add-on options like before-care and after-care
- Collect all the information you need for every registration, including emergency contacts, health forms, and T-shirt sizes
- Create custom payment schedules, early registration discounts, late fees, and billing reminders
- Support multiple kinds of promotions and discounts
- Automatically send registration confirmation and reminders
- Offer special membership incentives like priority registration, discounts, and members-only programs
- Check in campers and attendees with iOS devices—just scan the QR-coded ticket!

Display real-time availability for all of your programs on your web site
